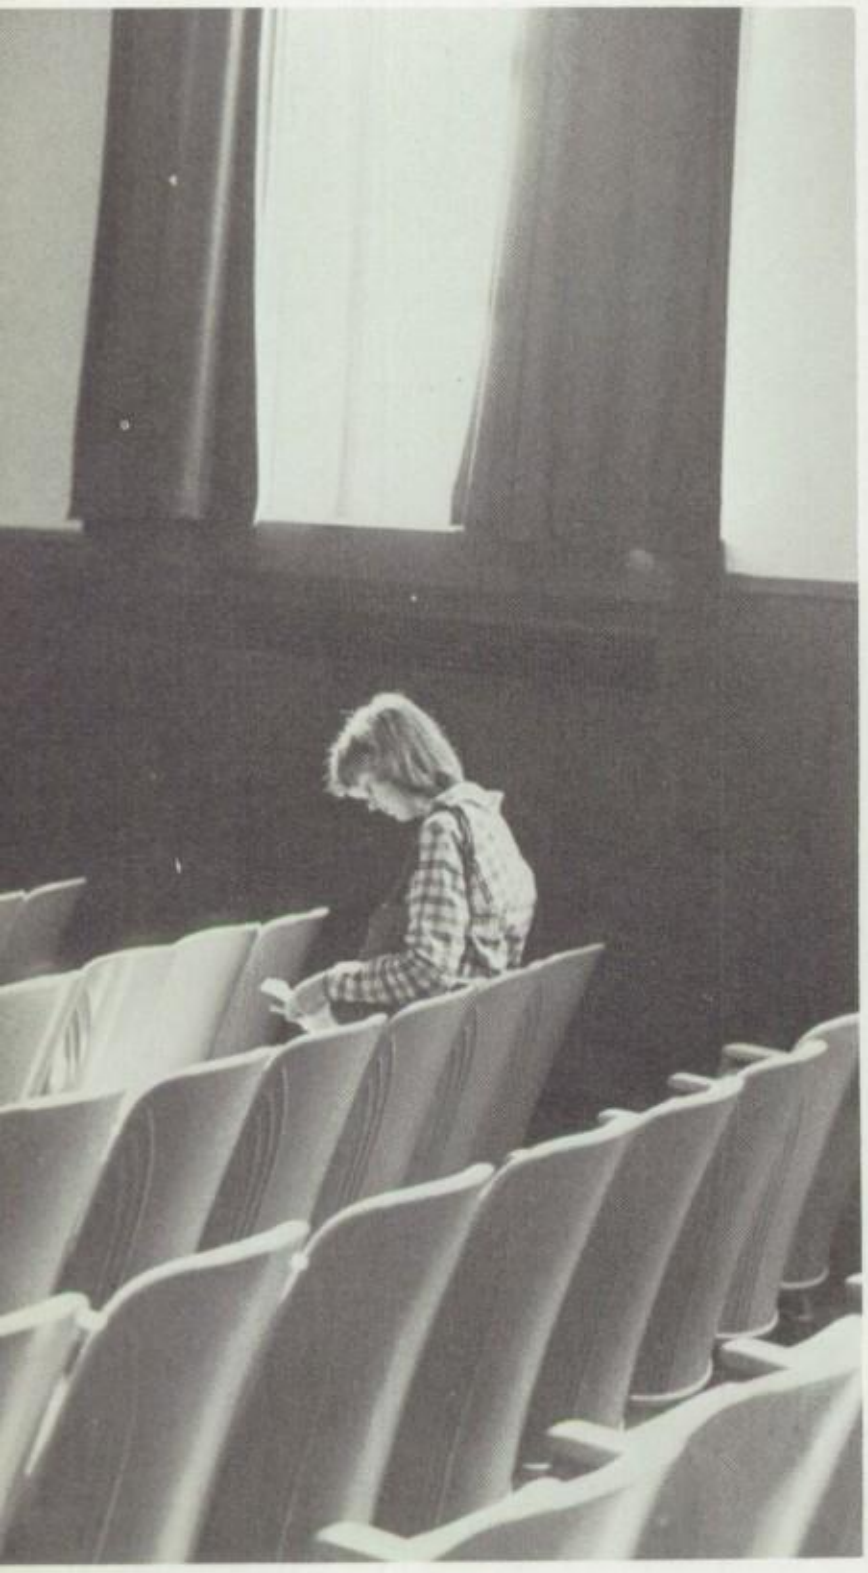
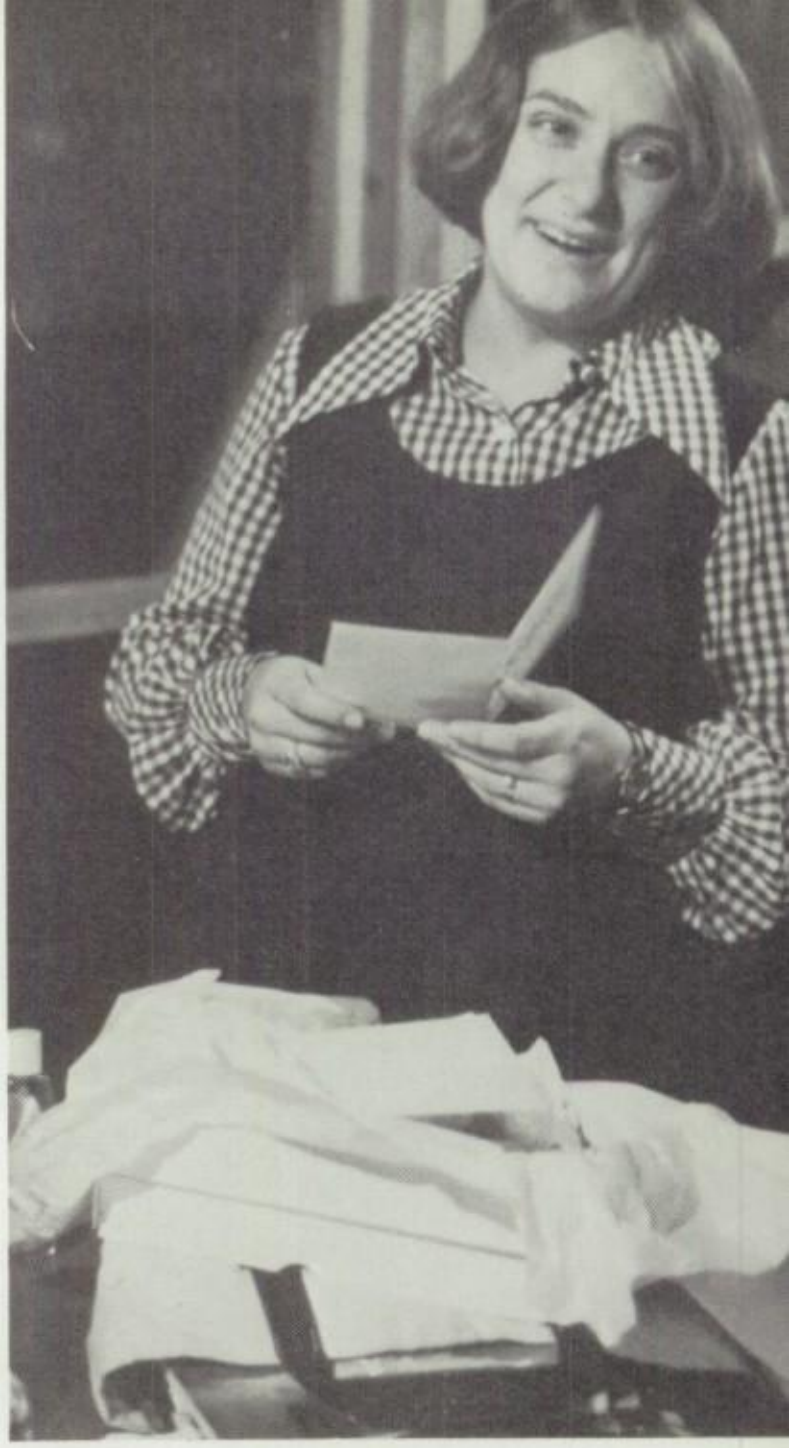
FOREWARD

We, the Class of '78 have chosen the song "Photographs and Memories" as the theme for our CREST. We hope that with every page, we have captured and preserved happy memories for you. Remember that photographs and memories are not all we have left of our high school years. We also have invaluable friendships and knowledge that will be with us forever.

PHOTOGRAPHS AND MEMORIES
CHRISTMAS CARDS YOU SENT TO ME
ALL THAT I HAVE ARE THESE

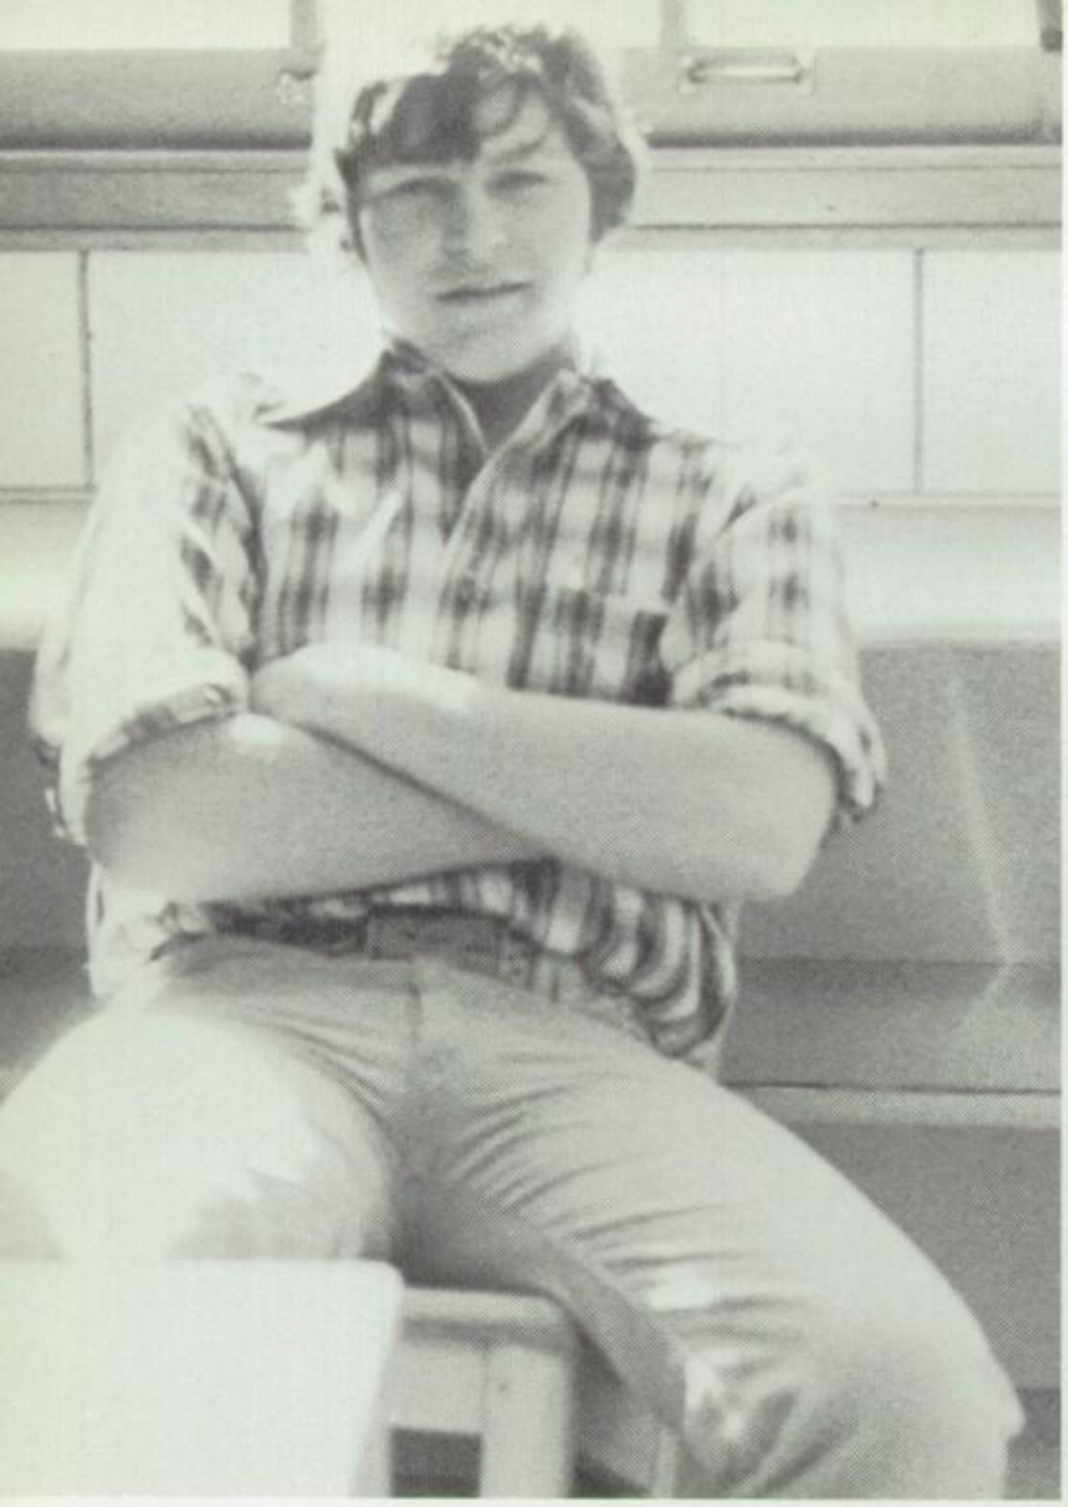




TO REMEMBER YOU

MEMORIES THAT
COME AT NIGHT
TAKE ME BACK TO
ANOTHER TIME.

BACK TO A HAPPIER DAY
WHEN I CALLED YOU
MINE.



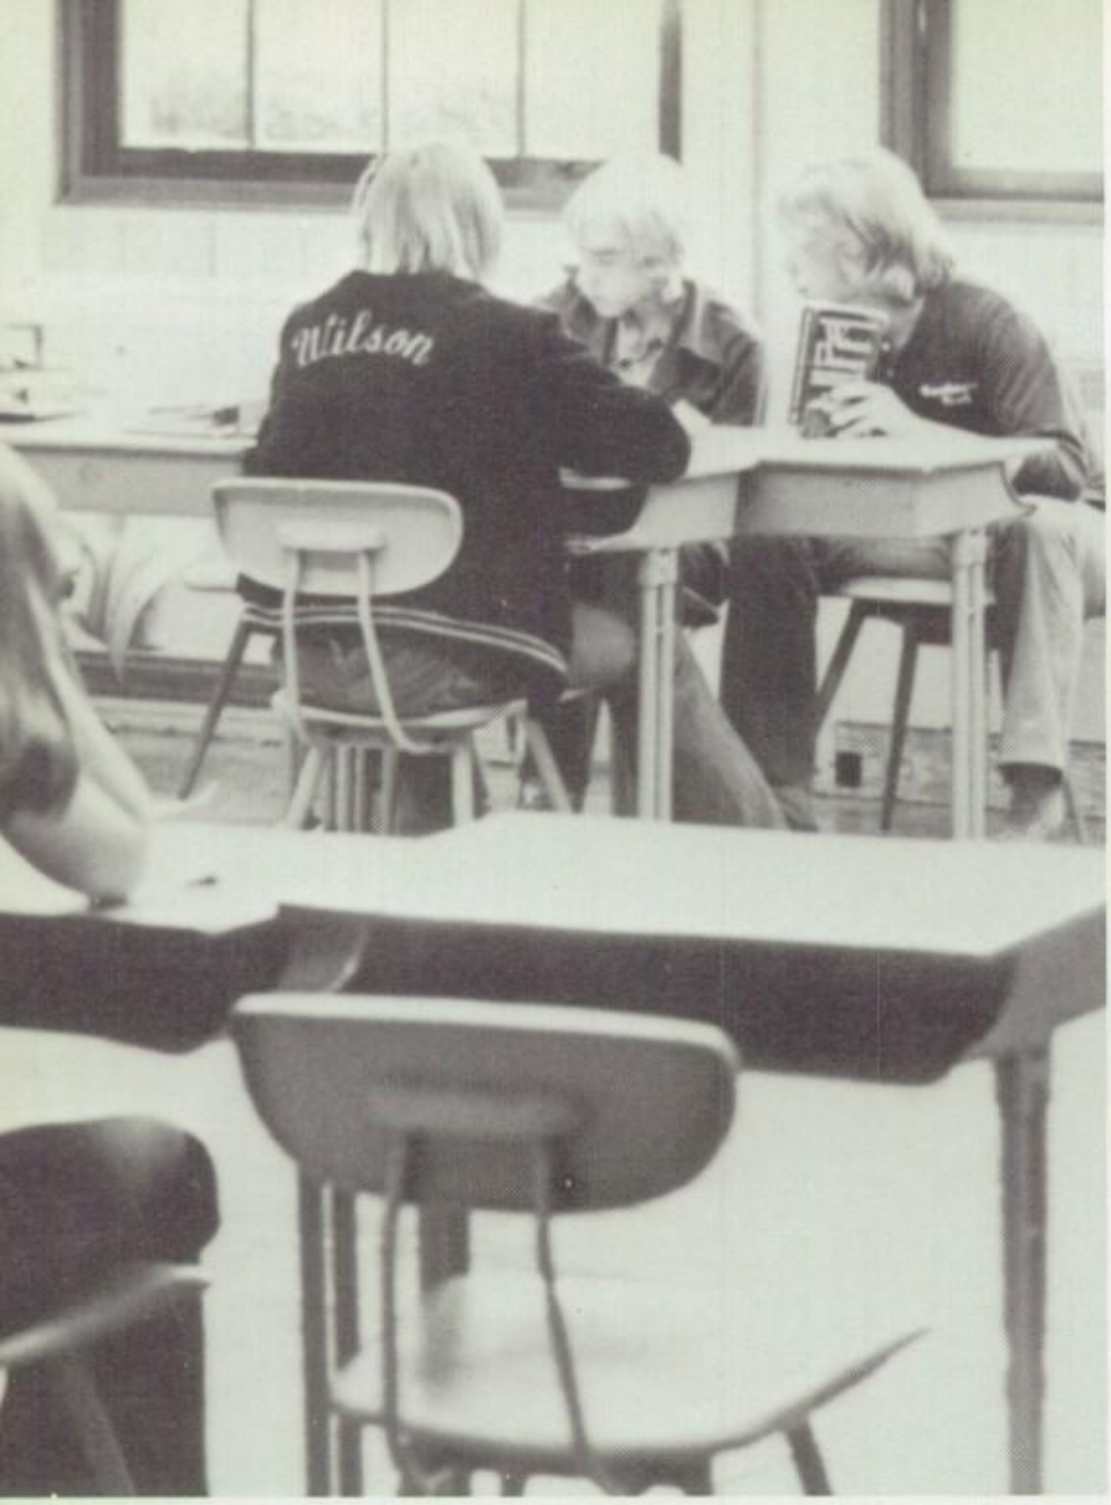
BUT WE SURE HAD
A GOOD TIME.
WHEN WE STARTED
WAY BACK WHEN

MORNING WALKS,

AND BEDROOM TALKS
OH HOW I LOVED YOU THEN

SUMMER SKIES AND LULLABIES

NIGHTS WE COULDN'T SAY GOOD-BYE



AND OF ALL THE THINGS THAT WE KNEW

NOT A DREAM SURVIVED

PHOTOGRAPHS AND MEMORIES

ALL THE LOVE YOU
GAVE TO ME

SOMEHOW IT JUST CAN'T
BE TRUE
THAT'S ALL I HAVE
LEFT OF YOU.
JIM CROCE

DEDICATION

Education has led each of us to explore and learn many things. Through education, we have had the opportunity to develop our abilities to make sound judgments, to be honest with ourselves and others, to be just and adhere to high principles.

To learn these standards of integrity, we have needed more than textbooks, lectures and filmstrips. We have looked to individuals as models of fairness, understanding and concern. Our class has been fortunate to have for its model a person who hasn't been afraid to show her concern for others. She's a person who has been "up front" in expressing her beliefs and giving others a chance to express their's. She is a person who has given willingly of herself, her time and her energy to help make us better people.

For these reasons, we, the Class of 1978, wish to dedicate our Crest to Mrs. Gretchen Carella.

The Class of 1978 owes much of its success to Mr. Gerald Pender. From the first time we met, he has impressed upon us the importance of working together to achieve our goals. He stands behind our every idea and encourages us in all our endeavors. Mr. Pender is always willing to make time for us whenever we need him. He is always there to listen and to help. With his assistance, we have accomplished many objectives, never before acclaimed by any other class at Wilson. He is not only a teacher and advisor to our class, but a friend to us all. Our admiration and respect have truly been earned by Mr. Pender. We, the Class of 1978, offer our deepest gratitude and sincerest thanks for all he has done for us.

A TRIBUTE TO "MAX"

Mr. Jack Maxfield, came to W.C.S. in 1947 after graduating from Fredonia. Since that time Mr. Maxfield has shown great understanding toward students and administration alike. In all his 30 years here, he has been active in supporting the Wilson Central School system. Through the creation of the Pep Band under his guidance, Max has promoted school spirit and encouraged enthusiasm in the basketball and football teams as well as their fans. Max's interest toward all students has been unselfish and devoted. To many of his students Max is and has been thought of more as a friend than a teacher. His optimistic outlook on our school and lives will be long remembered by the student body as well as the faculty and administration at W.C.S. It is with great love and appreciation that we, the graduating class of 1978, honor such a great man and friend as Mr. Jack "Max" Maxfield.

SENIORS

The Wilson Lakemen Varsity football team consisted of only 9 seniors. These nine seniors showed great leadership and guidance in pulling the young Lakemen team towards a great winning season. The second best 11 man football team in Wilson Lakemen history, was the proud title bestowed upon our team this season. The young Lakemen finished with a 6-2 overall record, losing the league championship by only 2 points. All should be proud of this team as they should be proud of themselves.

JV MODIFIED FOOTBALL

Row 1: G. Jordan, R. Mangan, M. Wiltse, M. Grace, K. Swick, S. Higgins. Row 2: B. Seefeldt, D. Zipp, K. Collins, K. Hunter, P. Daul, S. McGrew, R. Shoop, S. Wilson. Row 3: K. Schultz, D. Wilcox, R. Clark, J. Kelly, M. Young, J. Steblein, E. Siener, J. Gilbert.

The J.V. Football team, coached by Max Stolzenburg, had a disappointing season. They obtained only 2 wins. The talent of many individuals, however, highlighted the season. Many juniors will team up with the Varsity men next year.

Modified football was a new experience for Wilson Central this year. Boys in grades 7—9 could play on this team and gain experience at an early age. As usual, new programs aren't always immediately successful. In the near future, Modified Football should show great improvement. Modified Football will produce quality athletes when they reach the Varsity level.

They were first out of 50 schools at the McQuaid meet, 1st out of 16 schools at Baldwinsville, 1st out of 14 schools at Alfred-Almond, and 2nd out of 20 schools at Grand Island. The Cross Country team is losing their MVP Mark Taylor, but they should be back next year with another talented team.

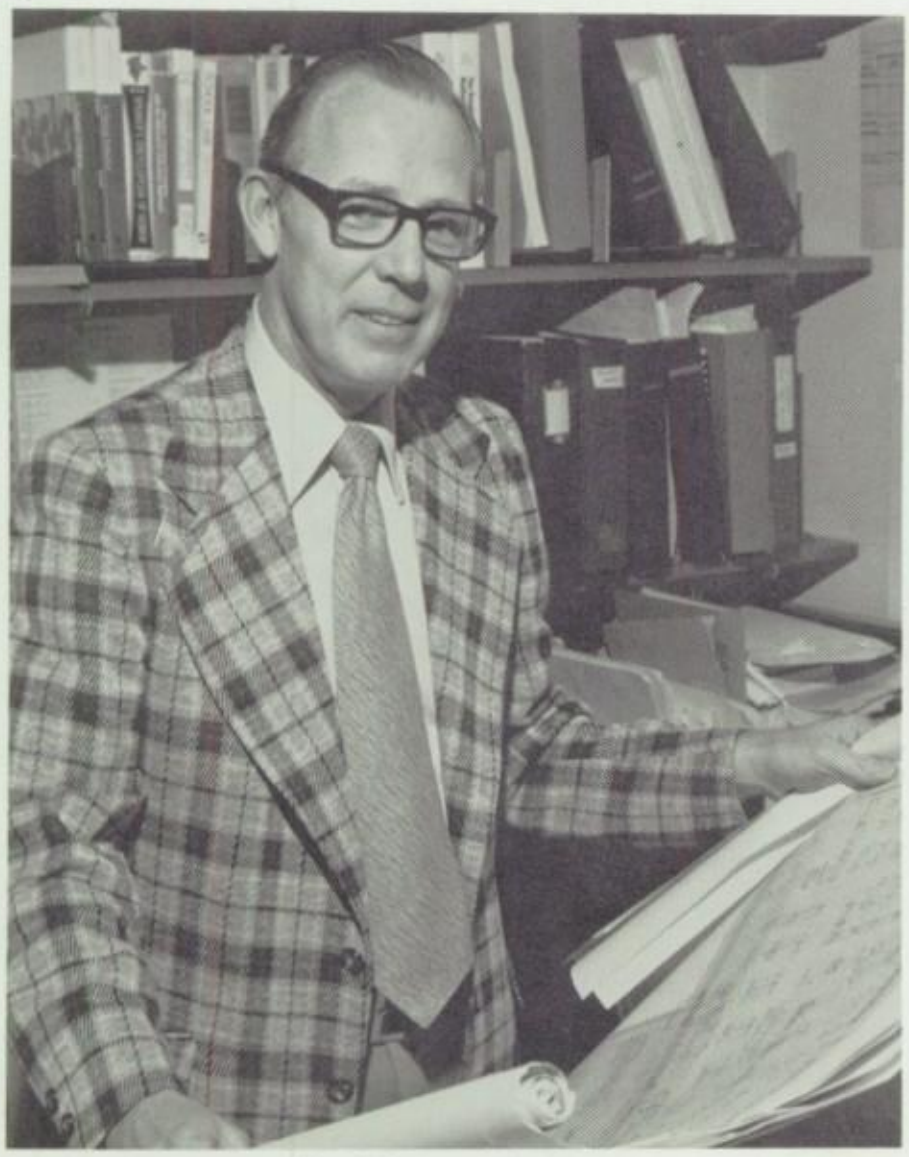
PRINCIPAL'S MESSAGE

"Photographs and Memories" can be blended into one word "yearbook". This blending becomes particularly meaningful as the yearbook theme of the Wilson Central School Class of 1978. The montage of snapshots, as well as the formal portraits of each individual senior, captures a moment of time. A moment to relive—A moment that becomes part of one's memories, floating glances into the past, whisps that fade but are not forgotten.



Mr. Wesley Johnson

JUNIOR HIGH PRINCIPAL

Mr. Johnson started us off on the "right foot" as our Junior High Principal. He guided us, literally, through the complicated halls of the High School, and when we organized as a class in our freshman year, he was always there with a helping hand. We the Class of 1978 wish to express our sincere thanks to Mr. Johnson.

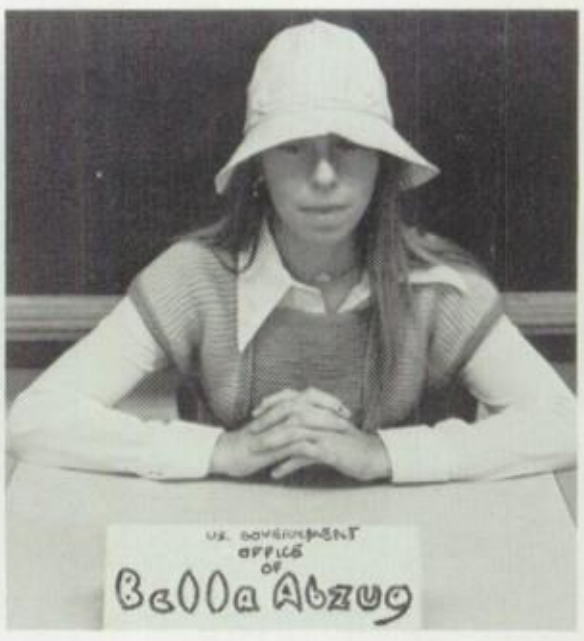
CLASS

Our class really became a class in September, 1972, when we started seventh grade. We were lost and confused by changing classes and having to memorize schedules. It was a time of making new friends as Wilson and Ransomville merged together in the seventh grade. We soon learned to adapt and we began to discover what the teachers would let us get away with.

Eighth grade became the year of the squirt gun, spit wad, yoyo, note passing, and anything else we could smuggle into school. We were no longer the "littlest kids in the building"! We had someone else to boss around now. Other memories include; learning about sex in health, participating in Miss Moore's Show, and realizing it was our last year with Mrs. Hazen.

Ninth grade gave us our first opportunity to elect officers to help run our class activities. Our first (and almost last) class picnic was held at the school. The highlight of this great event was getting revenge on Mr. Stover with water balloons. It seemed that for the first time, we had a special number associated with our class . . . 1978, even though it seemed it would never come!

In tenth grade we were allowed some say in which courses to take. Probably the most memorable class would have to be biology with the frogs, baby pigs, worms, and that smelly stuff that made everyone sick. Some of us investigated the chance to attend BOCES. We went to Akron Falls for our second watered-down picnic.



HISTORY

In the eleventh grade the big event was getting our class rings, which symbolized the unity we were striving for. We began a fierce competition with the Class of 1977. We tied them in Powderpuff and out-yelled them at the pep assemblies. Together we achieved our goal in the magazine sale. At Moving Up Day, our throats tightened (maybe just a little) when we realized that we were now Seniors!

The Big year finally arrived. Twelfth grade became known as the "Year of the Scat" for the people who spent any time in the lounge. We also discovered, to our great surprise, a $500 "bank" error (in our favor, of course). We beat the juniors in the Powderpuff game and in the magazine sale, again we attained our goal together. Our play, "Hello Dolly" was a great success. The best and worst part of our high school days seemed to come together at the time of Moving Up Day, Class Night, the all night party, and of course Graduation as our Senior year drew to its close. We would like to wish the Class of 1979 and all the classes who follow, all the luck, good fortune, fun and happiness that we have enjoyed in the past few years. This book is very special, for it symbolizes many years of our lives and we hope these "Photographs and Memories" will always be treasured!
